NEWS

WASTE WATER PUMP OUT IN MARINA

Under MARPOL Convention and as specified in D.L. dated June 24th 2003 n. 182 it's well known that **no discharge it's tolerated** in the sea water.

We remind you the pumping out facilities in the Marina:

all boats can pump out black- grey and bilge water by the fuel dock station

NEWS

the boats on quay V from nr V11 to nr V28 and the boats on quay K from nr K07 to nr K23 can pump out black, grey and bilge water directly at the mooring place.

The cost is:

Bilge water

€ 0,28 + vat /lt

with no extra cost of service and transport

Black and grey water

€ 0,008 + vat / lt with min. amount of 50 € + vat

The service is available from 9 a.m. to 4 p.m. from Monday to Friday

On reservation (with 2 days notice) by the Hospitality Desk

WE REMIND YOU THE CODE OF LAW

- Under MARPOL Convention and as specified in D.L. dated June 24th 2003 n. 182 no discharge will be tolerated in the sea water . Any yacht contravening the MARPOL Convention exposes herself to financial and or penal sanctions as per art 13 D.L. 182/03.

- In case of no discharge at the end of the stay MARPOL convention demands the yachts to prove that the capacity of the tanks is sufficient to reach the port of destiny without discharging the waters.

- In the absence of evidence showing that the Captain has made intervention of pumping and recovery of its waste , the competent maritime authorities , will proceed at controls on board.
